## EHPAD PIERRE GRENIER DE CARDENAL

The Villeréal EHPAD (Etablissement d'Hébergement pour Personnes Agées Dépendantes – Home for Elderly Dependent People) is a retirement home with medical facilities designed to accept residents who have lost their independence. This organisation is suitable both for autonomous senior citizens and those whose physical and mental faculties have changed. To be accepted at the EHPAD you must be at least 60 years old and be in need of daily care and help in carrying out everyday activities. Financial help can be granted for payment of certain expenses. The special feature of the Villeréal retirement home is, that since mid-2021, it has been integrated into a communal management group along with five establishments in the Dordogne (Beaumont du Périgord, Eymet, Lalinde, Monpazier and Cadouin). This organisation permits the sharing of management posts but also, in particular, that of coordinating doctor. The home can accept 90 residents and has 62 employees.
