HIPPODROME

The race-course in the hippodrome at Pesquié in Villeréal has six annual meetings, held on Saturday evenings in the summer. Despite the small size (880 metres) which makes it the smallest in the south-west, this is a very successful meeting place: due to a covered eating area and a snack bar, between 100 and 200 meals are served in an evening alongside the course, making these Villeréal races very attractive. The hippodrome is also the site of the annual horse festival "Fête du Cheval" held on the last Sunday of September.
